

RENEWAL OF CAUTIONARY ANNOUNCEMENT

Further to the Cautionary published on the 19th of May 2026, the Company further reports that there has been no changes regarding Fusionspark Proprietary Limited (“Fusionspark”)’s interest to purchase from Petroleum Investment Holding Limited, a subsidiary of the Engen Group, its entire shareholding in the Company.

The transaction is subject to the customary closing conditions, including approval from the Botswana Competition and Consumer Authority.

Until such time as the transaction becomes unconditional and the cautionary withdrawn, shareholders and investors are advised to continue exercising caution when dealing in the Company’s securities until further notice.
