Anglo American rough diamond sales value for De Beers' second sales cycle of 2020

Anglo American plc announces the value of rough diamond sales (Global Sightholder Sales and Auctions) for De Beers' second sales cycle of 2020, amounting to \$355 million.

Bruce Cleaver, CEO of De Beers Group, said: "Following an improvement in demand for rough diamonds during the first sales cycle of 2020, we recognised the impact of COVID-19 Coronavirus on customers focused on supplying the Chinese market and put in place additional targeted flexibility to enable customers to defer allocations of the relevant rough diamonds."
