

**29 September 2023**

---

**Tlou Energy Limited**  
("Tlou" or "the Company")

**Final Results**

---

Tlou Energy Limited is pleased to announce its 2023 results. The Annual Report and Consolidated Financial Statements for the year ended 30 June 2023 are available on the Company's website:

<https://tlouenergy.com/reports>

**Highlights:**

- Construction of the transmission line to connect Tlou's Lesedi gas-to-power project to the electricity grid is 90% complete
- A new 3-well production pod (Lesedi 6) has been drilled and the lateral wells of Lesedi 4 have been redrilled and are being put into the production phase
- 4,000 hectares of land has been acquired for the Lesedi project which will including the central gas processing facility, planned power generation assets and further gas wells
- Significant funds were raised from ILC Investment Pty Ltd who is now Tlou's largest shareholder with 34.86% of the Company

*Tlou's Managing Director, Mr Tony Gilby commented, "The past year has seen the Company make good progress toward the target of supplying electricity into the power grid in Botswana. The transmission line work is nearing completion, substations are in progress and new wells are being completed ahead of expected gas flow.*

*It has not been easy and has taken a lot of time, effort and money to get to this stage. There remain significant challenges ahead.*

*Nonetheless, I believe gas will continue to play a very important, if not vital role for many years to come in order to meet increasing energy demand in southern Africa. We look forward to moving Tlou Energy's Lesedi project into production and are grateful to our shareholders for their continuing support."*

**By Authority of the Board of Directors**

Mr. Anthony Gilby  
Managing Director

## About Tlou

Tlou is developing energy solutions in Sub-Saharan Africa through gas-fired power and ancillary projects. The Company is listed on the ASX (Australia), AIM (UK) and the BSE (Botswana). The Lesedi Gas-to-Power Project ("Lesedi") is 100% owned and is the Company's most advanced project. Tlou's competitive advantages include the ability to drill cost effectively for gas, operational experience and Lesedi's strategic location in relation to energy customers. All major government approvals have been achieved.
