If a proxy form is returned but the nominated proxy does not attend the meeting, the Chairman of the meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chairman of the meeting, the secretary or any Director that do not contain a direction how to vote will be used where possible (and subject to the Corporations Act) to support each of the resolutions proposed in this Notice (even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel).

Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

- the conduct of the audit;

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

In accordance with Section 250R(2) of the Corporations Act the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company’s 2023 Annual Report. The Remuneration

Report is contained in the Annual Report and is also available on the Company’s website:

www.tlouenergy.com

This Resolution is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast on the resolution at the Annual General Meeting are against adoption of the report, then:

if comments are made on the report at the Annual General Meeting, the Company’s remuneration report for the financial year ending 30 June 2023 will be required to include an explanation of the board’s proposed action in response or, if no action is proposed, the board’s reasons for this; and

if, at the Company’s 2024 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for the relevant financial year are against its adoption, the Company will be required to put to shareholders at that Annual General Meeting a resolution proposing that a general meeting (Spill Meeting) be called to consider the election of directors of the Company (Spill Resolution). For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. RESOLUTION 3 – RE- ELECTION OF MR HUGH WILLIAM SWIRE AS A DIRECTOR

The Company's Constitution provides that a director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years, following that director's last election or appointment.

Mr Swire was appointed as a director by the Board on 22 June 2017. He was last re-elected to the Board by shareholders at the Company's 2020 Annual General Meeting.

Mr Swire, therefore, retires from office in accordance with this requirement and submits himself for re-election.

Recommendation

The Directors (with Mr Swire abstaining) unanimously recommend that you vote in favour of the Resolution. The Chair of the Meeting intends to vote available proxies in favour of this resolution.

RESOLUTION 4 – RATIFICATION OF THE ISSUE OF ORDINARY SHARES ISSUED 30 MARCH 2023

Background

In a placement that was completed on 27 March 2023 the Company announced it had successfully raised gross proceeds of A\$200,000 (~£110,000, ~BWP1.74 million) pursuant to a placing of 5,714,284 new ordinary shares (Placement Shares) of no par value at an issue price of A\$0.035 (~£0.02, ~BWP0.30) per share which were issued without shareholder approval under ASX Listing Rule 7.1 (the Placement).

The funds raised were announced as having been secured from Australian based sophisticated investors and the proceeds would go towards development of the Company's Lesedi project in Botswana.

Effect of the Resolution

Resolution 4 is seeking Shareholder approval to ratify the issue of the 5,714,284 Ordinary Shares on 30 March 2023 to Australian based sophisticated investors at the issue price of A\$0.035 (~£0.02, ~BWP0.30) per share, (Placement Shares) which were issued as part of the Company's capital raising announced 27 March 2023 and without shareholder approval in accordance with ASX Listing Rule 7.1.

The effect of obtaining Shareholder approval will be that the issue of the Placement Shares will be treated as having been made with approval for the purpose of ASX Listing Rule 7.1 and, as a result, the Company's ability to issue the number of equity securities permitted under ASX Listing Rule 7.1, without Shareholder approval, will not be affected.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The 5,714,284 Ordinary Shares allotted to sophisticated investors under the placement did not fall within an exception and were issued without Shareholder approval under the Company's 15% placement capacity under Listing Rule 7.1.

Accordingly, as the issue of the placement securities did not breach the 15% threshold in ASX Listing Rule 7.1, the Company wishes to refresh its capacity under ASX Listing Rule 7.1 by seeking approval under ASX Listing Rule 7.4 for the issue of those securities.

Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify previous issues of securities made without prior shareholder approval

under Listing Rule 7.1, provided the issue did not breach the maximum thresholds set by Listing Rule 7.1. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under those rules.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and thus the Company is seeking ratification of the issue of 5,714,284 Ordinary Shares in accordance with Listing Rule 7.4.

The Company confirms that the issue and allotment of the 5,714,284 Ordinary Shares did not breach Listing Rule 7.1 at the date of issue.

If Resolution 4 is passed, the 5,714,284 Ordinary Shares will be excluded in calculating the Company's 15% capacity under Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue.

If Resolution 4 is not passed, the 5,714,284 Ordinary Shares will be included in calculating the Company's 15% capacity under Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue.

Technical information required by ASX Listing Rule 7.5

For the purpose of ASX Listing Rule 7.5, Shareholders are advised of the following information:

- (a) The Ordinary Shares were issued to sophisticated investors who were not:
 - i. a related party of the Company;
 - ii. member of the Company's key management personnel;
 - iii. a substantial holder in the Company;
 - iv. an adviser to the Company; or
 - v. an associate of any of the above.
 - vi.
- (b) 5,714,284 Ordinary Shares were issued under Listing Rule 7.1.
- (c) The Ordinary Shares were issued on 30 March 2023.
- (d) The 5,714,284 Ordinary Shares were issued at A\$0.035 (~£0.02, ~BWP0.30) per share raising A\$200,000 (~£110,000, ~BWP1.74 million).
- (e) The Ordinary Shares issued rank *pari passu* with, and on the same terms, as the existing fully paid Ordinary Shares on issue in the Company;

- (f) The net proceeds of the Placement together with existing cash were applied by the Company to provide working capital for the development of the Company's Lesedi project in Botswana;
- (g) The Placement Shares were not issued under an agreement but as a term of the placement offer subscribed for by placement recipients; and
- (h) a voting exclusion clause is set out under Resolution 4 of the Notice.

Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4 and confirm that they intend to vote any Shares that they own or control in favour of Resolution 4.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 4.

RESOLUTION 5 – APPROVAL OF 10% PLACEMENT CAPACITY

ASX Listing Rule 7.1A enables eligible entities to, subject to shareholder approval at the Annual General Meeting by special resolution, issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a Special Resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is detailed below.

Description of ASX Listing Rule 7.1A

a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting.

b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue only one type of Equity Securities quoted on ASX being fully paid Ordinary Shares.

Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A = has the same meaning as in rule 7.1;

D = 10%;

E = the number of Equity Securities issued or agreed to be issued under rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4 ; and

“relevant period” has the same meaning as in rule 7.1.

“A” is the number of fully paid ordinary securities on issue at the commencement of the relevant period,

- plus, the number of fully paid +ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,
- plus, the number of fully paid +ordinary securities issued in the relevant period on the +conversion of +convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus, the number of fully paid +ordinary securities issued in the relevant period under an agreement to issue +securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus, the number of any other fully paid +ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,

Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1.

- plus, the number of partly paid +ordinary securities that became fully paid in the relevant period,
- less the number of fully paid +ordinary securities cancelled in the relevant period;

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

ASX Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek in addition to its 15% Placement capacity under Listing Rule 7.1 approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

At the date of this Notice, the Company has on issue 1,024,583,025 ordinary shares and at the date of this Notice and provided ordinary Resolution 5 is passed will have the capacity to issue:

- 1) 153,680,703 Equity Securities under ASX Listing Rule 7.1; and
- 2) subject to Shareholders approving this Resolution 102,458,302 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is detailed above.

10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- 1) the date that is 12 months after the date of the meeting at which the approval is obtained;
- 2) the time and date of the Company's next AGM ;or
- 3) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a

significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), the time and date of that approval,

(“10% Placement Period”).

ASX Listing Rule 7.1A

The effect of Resolution 5 will be to allow the Directors to issue the Equity Securities in any existing quoted class, under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company’s 15% placement capacity under ASX Listing Rule 7.1.

Resolution 5 is a Special Resolution and therefore requires approval of 75% of the votes cast by the Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) are cast in favour of the resolution.

If Resolution 5 is passed the Company will be permitted to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company’s 15% placement capacity under Listing Rule 7.1. Accordingly, the Company will be able to issue equity securities to the combined 25% limit in Listing Rule 7.1 and 7.1A without any further shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Facility:

a) Minimum Issue Price:

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company’s equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- 1) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- 2) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (1) above, the date on which the Equity Securities are issued.

Economic and Voting Dilution Risks

If Resolution 5 is passed by Shareholders as a Special Resolution and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders’ voting power in the Company will be diluted as shown in the below table.

The table below shows the risk of voting dilution of existing shareholders on the basis of the current market price of Equity Securities and the current number of Equity Securities for Variable “A” calculated in accordance with the formula in Listing Rule 7.1A.2. The Table also shows two examples of where Variable “A” has decreased by 50% and increased by 100%.

There is a risk that:

- 1) the market price for the Company’s Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- 2) the Equity Securities may be issued at a price that is at a discount to the market price for the Company’s Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

**All Voting Dilution and Funds Raised numbers in the table have been rounded down to nearest whole number.

The table above has been prepared on the following assumptions:

- i) There are 1,024,583,025 Shares on issue.
- ii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- iii) No unlisted Options or Performance Rights are exercised into Shares before the date of the issue of the Equity Securities under ASX Listing Rule 7.1A. The Company currently has on issue 115,772,900 unlisted Convertible Notes convertible at the higher of:
 - a 10% discount to the weighted average traded price of the Company's Shares on the ASX over the 90 (ninety) trading days on the ASX prior to the conversion date; and
 - AUD 0.06

and 18,625,000 Performance Rights on issue under the Company's Performance Rights Plan as at the date of this Notice of Meeting.
- i) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- ii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that
 - iii) Shareholder's holding at the date of the Annual General Meeting.
 - iv) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, and does not consider issues under the 15% placement capacity under ASX Listing Rule 7.1.
 - v) The issue of Equity Securities under the 10% Placement Facility consists only of ordinary shares in the Company. The table does not demonstrate the effect of listed or unlisted options or Performance Rights being issued under ASX Listing Rule 7.1A.
 - vi) The issue price for ordinary shares in the Company is deemed for the purposes of the table to be \$0.03 (**Deemed Price**), being the closing price of these shares on ASX on 13 September 2023. This price is indicative only and does not consider the 25% discount to market that these shares may be issued at.
 - vii) 'A' is the current number of fully paid ordinary shares on issue and assumes full placement capacity available.
- c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. Shareholder approval of the 10% Placement Facility for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) from the time and date of that approval.

d) The Company may seek to issue the Equity Securities to raise cash to fund the following:

- (i) general working capital expenses;
- (ii) activities associated with its current business;
- (iii) repayment of debt; or
- (iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure requirements of ASX Listing Rule 7.1A.4 and 3.10.5A on issue of any Equity Securities pursuant to the approval sought by Resolution 5.

e) The Company's allocation policy and the identity of the recipients of the Equity Securities is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

The allocation policy and the identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- 1) the methods of raising funds that are available to the Company, including but not limited to, placement, rights issue or other issue in which existing security holders can participate;
- 2) the effect of the issue of the Equity Securities on the control of the Company;
- 3) the financial situation and solvency of the Company; and
- 4) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Recommendation

Accordingly, each of the Directors recommends that Shareholders vote in favour of Resolution 5. The Chair of the Meeting intends to vote available proxies in favour of this resolution.
