TRADING UPDATE

Unit holders are advised that the Company is currently finalising its abridged unaudited financial results for the half-year ended 30 June 2026.

In line with section 5.4c of the Listing Requirements of the Botswana Stock Exchange (BSE), an issuer must publish a cautionary announcement as soon as they are satisfied that a reasonable degree of certainty exists that the expected profit or loss (before tax) for the period to be reported upon next will differ by at least 10% from the most recent financial results for the previous corresponding period.

The Board of Directors of RDC Properties Limited ("the Board") advises shareholders that the profit before tax for the half year ended 30 June 2026 will be approximately between 40% and 50% or P19.8 million to P24.8 million higher than the P49.6 million reported for the period ended 30 June 2025.

The Group will publish its abridged unaudited interim financial results for the period on or before 29 September 2026. This will include commentary on the drivers for improved performance.

Accordingly, unit holders are advised to exercise caution when dealing in the Company's securities until the abridged unaudited interim financial results are released.
