NOTICE TO SHAREHOLDERS - UNCLAIMED DIVIDENDS

In 2008, the Botswana Stock Exchange (BSE) introduced the Central Securities Depository (CSD) to deal with efficient clearing and settlement of securities. The CSD facilitates the holding of securities in electronic accounts in contrast to paper certificates. The unclaimed dividend cheques are mainly because of securities which were/are still held in paper certificates.

According to Section 27.5 of the BIHL constitution, "Dividends unclaimed for three (3) years after the due date for payment may become the property of the Company and used for the benefit of the Company."

Shareholders are therefore advised to come forward and claim their outstanding dividends by 30 November 2023, following which all unclaimed dividends accrued before 01 January 2020 shall be subjected to section 27.5 of the BIHL constitution.

Accordingly, the shareholders listed below are requested to contact the below and claim their dividends:
