## Power Generation in Botswana

# Disclaimer

These presentation materials and any accompanying oral presentation (together, the “Presentation Materials”) are confidential and are being supplied to you solely for your own information and may not be reproduced, further distributed, or the contents otherwise divulged, directly or indirectly, to any other person or published, in whole or in part, for any purpose whatsoever.

The Presentation Materials have been prepared by Tlou Energy Limited (“Tlou” or the “Company”). The Presentation Materials and information contained in them are being provided to shareholders and investors for information purposes only. These Presentation Materials do not constitute or form part of any invitation, offer for sale or subscription or any solicitation for any offer to buy or subscribe for any securities in the Company (“Company Securities”) nor shall they or any part of them form the basis of or be relied upon in connection with, or act as any inducement to enter into, any contract or commitment with respect to Company Securities.

These Presentation Materials are for information purposes only and must not be used or relied upon for the purpose of making any investment decision or engaging in any investment activity. This presentation does not constitute investment or financial product advice (nor tax, accounting or legal advice) and has been prepared without taking into account your investment objectives, financial circumstances or particular needs. The opinions and recommendations in this presentation are not intended to represent recommendations of particular investments to particular persons. You must seek appropriate professional advice when deciding if an investment is appropriate.

Whilst the information contained herein has been prepared in good faith, neither the Company, its subsidiaries (together with the Company, the “Group”) nor any of the Group’s directors, officers, employees, agents or advisers makes any representation or warranty in respect of the fairness, accuracy or completeness of the information or opinions contained in the Presentation Materials or otherwise in relation to the Group or its business, and responsibility and liability therefore (whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise) is expressly disclaimed, provided that nothing herein is intended to limit the liability of any such person for fraud. No duty of care or advisory obligation is owed by any member of the Group or any of its directors, officers, employees, agents or advisers to any recipient of the Presentation Materials. No reliance may be placed for any purpose whatsoever on the information contained in the Presentation Materials or the completeness or accuracy of such information. The figures and projections included in the Presentation Materials are based on internal assumptions made by the directors and employees of the Company and have not been reviewed or verified as to their accuracy by any third party. The information contained in the Presentation Materials are provided as at the date of this presentation and are subject to updating, completion, revision, verification and further amendment without notice. However, the Company does not undertake or agree to any obligation to provide the recipient with access to any additional information or to update the Presentation Materials or to correct any inaccuracies in, or omissions from the Presentation Materials which may become apparent.

This Presentation Materials are a visual aid which will be used by representatives of the Company to assist in investor and analyst presentations. They are not intended to be read as a standalone document. These Presentation Materials contain selected and abbreviated summary information about the Company and its subsidiaries and their activities current as at the date of the Presentation Materials. The information in these Presentation Materials is of general background and does not purport to be complete. It is intended to be read by a sophisticated investor audience familiar with the Company and the sector in which it operates and to be accompanied by a verbal presentation delivered by a representative of the Company. The Presentation Materials should be read in conjunction with the Company’s other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange (ASX), which are available at [www.asx.com.au](http://www.asx.com.au), and (in the United Kingdom) released via a regulatory news service as required under the AIM Rules for Companies and available on the websites of the Company and the London Stock Exchange.

The content of these Presentation Materials has not been approved by or lodged with an authorised person within the meaning of the Financial Services and Markets Act 2000 (“FSMA”) or the Corporations Act 2002 (Cth, Australia) (“Corporations Act”). Reliance on the Presentation Materials for the purpose of engaging in any investment activity may expose an individual to a significant risk of losing all of the property or other assets invested. Any person who is in any doubt about the subject matter to which these Presentation Materials relates should consult a person duly authorised for the purposes of FSMA who specialises in the acquisition of shares and other securities.

The Presentation Materials do not constitute an offer of transferable securities to the public in the United Kingdom for the purposes of section 85 FSMA. Within the United Kingdom, the Presentation Materials are exempt from the general restriction set out in section 21 FSMA on the communication of financial promotions on the grounds that they are directed only at: (i) persons whose ordinary activities involve them in acquiring, holding, managing and disposing of investments (as principal or agent) for the purposes of their business and who have professional experience in matters relating to investments or otherwise are “investment professionals” for the purposes of Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the “Order”); (ii) are persons who fall within Article 49(2)(a) to (d) of the Order; or (iii) otherwise fall within an applicable exemption within the Order (all such persons together being referred to as “Relevant Persons”). Persons of any other description, including those that do not have professional experience in matters relating to investment, should not rely or act upon the Presentation Materials. Any investment, investment activity or controlled activity to which the Presentation Materials may ultimately relate is available only to Relevant Persons and will be engaged in only with such Relevant Persons. Within the United Kingdom, the Presentation Materials are being distributed for and are only directed at Relevant Persons. Any person who is not a Relevant Person within the UK should not act or rely on the Presentation Materials.

This presentation is not a prospectus, product disclosure statement or other offer document under Australian law (and will not be lodged with the Australian Securities and Investments Commission (ASIC)) or any other law. This presentation does and will not form any part of any contract or commitment by the Company. By receiving and retaining a copy of this presentation, you warrant and represent in favour of the Company that you are a sophisticated investor within the meaning of section 708(8) of the Corporations Act 2001 (Cth) or a professional investor within the meaning of section 708(11) of the Corporations Act 2001 (Cth) or are otherwise exempt from disclosure by the Company pursuant to Part 6D.2 of the Corporations Act.

The Presentation Materials do not constitute an offer of securities for sale in the United States, [Australia], Japan or the Republic of South Africa or in any other country outside the United Kingdom where such distribution may lead to a breach of any legal or regulatory requirement, nor may they be distributed to persons with addresses in the United States, Japan or the Republic of South Africa, or to any national or resident of the United States, Japan or the Republic of South Africa, or to any corporation, partnership, or other entity created or authorised under the laws thereof. Any such distribution could result in a violation of American, Japanese or South African law. It is the responsibility of each recipient outside the United Kingdom to ensure compliance with the laws of and regulations of any relevant jurisdiction. The Company Securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any state or other jurisdiction of the United States and may not be offered and sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. There will be no public offering of Company Securities in the United States.

No recipient of these Presentation Materials should deal in or attempt to deal in or otherwise engage in any behaviour in relation to financial instruments (as defined in the Market Abuse Regulation (596/2014) as brought into UK law through the European Union (Withdrawal) Act 2018 ("MAR")), which would or might amount to "market abuse" for the purposes of MAR, based on the information in these Presentation Materials (and any related materials) until after the information has been made generally available. Nor should the recipient use the information in these Presentation Materials (and any related materials) in any way which would constitute market abuse. These Presentation Materials contain information which is, or may be, inside information in relation to the Company's listed securities. Accordingly, any person who receives these Presentation Materials must not deal in the Company's securities or encourage anyone else to do so and must not disclose these Presentation Materials to any other person until such time as the information ceases to be inside information. A breach of UK insider dealing rules may be a criminal offence and/or may constitute market abuse and these Presentation Materials are given on the basis that all recipients understand their legal and regulatory obligations with respect to inside information under both MAR and Part V of the Criminal Justice Act 1993.

Zeus Capital Ltd ("Zeus"), which is authorised and regulated in the United Kingdom by the Financial Conduct Authority, is acting exclusively as broker to the Company, in connection with the possible placing to certain institutional and professional investors and intermediaries (the "Placing") of ordinary shares of the Company ("Shares"), and will not be acting for any other person, or otherwise be responsible to anyone other than the Company, for providing the protections afforded to customers of Zeus in respect of the possible Placing or the contents of this Presentation Materials.

Zeus has not authorised the contents of this Presentation Materials for any purpose. Zeus, together with any of its respective shareholders, subsidiaries, directors, partners, officers, agents, employees, advisers ("Affiliates"), are not making any representation or warranty, express or implied, as to the contents, verification or completeness of this Presentation Materials and accordingly disclaims, to the fullest extent permitted by applicable law, any and all liability whether arising in tort, contract or otherwise which they might otherwise be found to have in respect of the Presentation Materials. Save in the case of fraud, no liability is accepted for any errors, omissions or inaccuracies in the information within the Presentation Materials or opinions by the Company, Liberum or their respective Affiliates and such persons shall, under no circumstance, be liable to any investors or any other third parties for any lost profits or lost opportunity, indirect, incidental, consequential, special or punitive damages whatsoever.

Past performance information given in these Presentation Materials is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

These Presentation Materials contain forward-looking statements, including in relation to the Company, the Group and the Group's proposed strategy, plans and objectives. Such statements are generally identifiable by the terminology used, such as "may", "will", "could", "should", "would", "anticipate", "believe", "intend", "expect", "plan", "estimate", "budget", "outlook" or other similar wording. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements. By its very nature, such forward-looking information requires the Company to make assumptions that may not materialise or that may not be accurate. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the control of the Company that could cause the actual performance or achievements of the Company to be materially different from any future results, projections, guidance on future earnings and estimates, performance or achievements expressed or implied by such forward-looking statements and such statements should not be relied upon as an indication or guarantee of future performance. It is believed that the expectations reflected in these statements are reasonable, but they may be affected by a range of variables which could cause actual results or trends to differ materially, including but not limited to: price fluctuations, actual demand, currency fluctuations, drilling and production results, reserve estimates, loss of market, industry competition, environmental risks, physical risks, legislative, fiscal and regulatory developments, economic and financial market conditions in various countries and regions, political risks, project delay or advancement, approvals and cost estimates, and other factors, many of which are beyond the control of the Company. Furthermore, the forward-looking information contained in the Presentation Materials is made as of the date of the Presentation Materials and the Company accepts no obligation to disseminate any updates or revisions to such forward-looking statements. The forward-looking information contained in the Presentation Materials is expressly qualified by this cautionary statement.

The Presentation Materials are confidential and being supplied to you solely for your own information and may not be reproduced, further distributed, or the contents otherwise divulged, directly or indirectly, to any other person or published, in whole or in part, for any purpose whatsoever.

Investors are advised that by their nature as visual aids, presentations provide information in a summary form and are not all inclusive or complete. You should conduct your own investigations into the completeness of the information, statements and opinions contained in the Presentation Materials and perform your own analysis to satisfy yourself as to the accuracy of this information. The key information on detailed resource statements can be found in the Company's ASX and AIM press releases. Resource statements are provided to comply with ASX guidelines but investors are urged to read supporting information in full on the Company's website.

The gas reserves and resource estimates for the Lesedi CBM Project provided in this presentation (refer slide 12) were released on 20 February 2018 ("Previous Announcement"). Tlou confirms that it is not aware of any new information or data that materially affects the information included in the Previous Announcement and that all of the material assumptions and technical parameters underpinning the estimates in the Previous Announcement continue to apply and have not materially changed. However, there is no guarantee as to whether future estimates of reserves and/or resources for the Lesedi CBM Project will exceed, or be lower than, the current estimates. The gas reserve and resource estimates are based on and fairly represents, information and supporting documentation and were originally determined by Dr. Bruce Alan McConachie of SRK Consulting (Australasia) Pty Ltd, in accordance with Petroleum Resource Management System guidelines and re-affirmed by Mr Carl D'Silva of SRK. Mr D'Silva is considered to be a qualified person as defined under the ASX Listing Rule 5.42 and has given his consent to the use of the resource figures in the form and context in which they appear in this presentation.

To the fullest extent permitted by law, the Company and its directors, officers, employees, agents and advisors (collectively, "Company Group") do not make any representation or warranty, express or implied, as to the currency, accuracy, reliability or completeness of any information, statements, opinions, estimates, forecasts or other representations contained in this presentation. To the extent permitted by law, the Company Group disclaims and does not accept any responsibility for any errors or omissions from the Presentation Materials whether arising out of negligence or otherwise. To the extent permitted by law, the Company Group excludes and disclaims (and you release and discharge the Company Group) from all liability, losses, expenses and damages, including without limitation for negligence suffered or incurred by you as a result of information included or omitted in the Presentation Materials and public announcements to which they are related.

**WARNING:** You are advised to exercise caution in relation to the Presentation Materials. If you are in any doubt about any of the contents of these Presentation Materials, you should obtain independent professional advice.

An investment in the Company's shares is subject to investment and other known and unknown risks, some of which are beyond the control of the Company. The Company does not guarantee any particular rate of return or the performance of the Company. Persons should have regard to the risks outlined in these Presentation Materials. By accessing these Presentation Materials, you warrant, represent, undertake and acknowledge to the Company that (a) you have read and agree to comply with the foregoing limitations and restrictions including, without limitation, the obligation to keep these Presentation Materials and its contents confidential, (b) you agree to take all necessary steps to preserve such confidentiality, (c) you are able to receive these Presentation Materials without contravention of any applicable legal or regulatory restrictions. Any failure to comply with these restrictions may constitute a violation of the laws of any such jurisdiction.

# Lesedi Gas-to-Power project

The first phase of development at Lesedi is a 10MW gas fired generation project.

Completed	Production Licence secured – valid until 2042
	Environmental approval
	10MW Power Purchase Agreement signed with Botswana Power Corporation
	Generation Licence approved by Botswana Energy Regulatory Authority (BERA)
Ongoing	Transmission Lines (~94% complete)
	Substation construction (~36% complete)
	Development of generation site for installation of power generation units
Planned	Drilling of additional gas production wells
	Once the initial 10MW is in place the Company plans further expansion
	Secure further offtake agreements

# Gas Production

*Tlou's gas wells, referred to as 'Dual lateral Pods' consist of two lateral wells that intersect with a vertical well to produce gas.*

# Power Market and Gas Reserves

## Significant Regional Power Demand

- Botswana<sup>(1)</sup>
  - Power demand (2020/21) 587 MW
  - Net imports (2020/21) 311 GWh
  - Electricity tariff (Feb '21) 9.46 USc/kWh
- Southern African Power Pool<sup>(1)</sup>
  - Peak demand (2020) 44,286 MW

## Gas Reserves and Contingent Resources

- 2P Reserves
  - ~41 Billion Cubic Feet (BCF) <sup>(2)</sup>  
(~6.8 million barrels of oil equivalent (MMboe)<sup>(3)</sup>)
- 2C Contingent Resources
  - ~214 BCF <sup>(2)</sup>

## Notes:

Gas Resource numbers have been rounded to the nearest tenth for amounts less than 100 BCF, otherwise to the nearest whole number. Refer to Competent Persons Statement in the disclaimer slide of this presentation.

1) Tlou's Gas Reserves have not been adjusted for fuel or shrinkage and have been calculated at the wellhead (which is the reference point for the purposes of Listing Rule 5.26.5).

2) Contingent Gas Resources are (100%) Unrisked Gross and are derived from the SRK certification at 31 March 2015 for all coal seams (as previously announced by Tlou on 9 April 2015) with adjustment for the gas volumes which have now been certified by SRK in the Gas Reserves category.

3) The Gas Reserves and Contingent Gas Resources for all coal seams in PL001/2004 and ML 2017/18L shown in the table above includes the numbers for the Lower Morupule coal seam which are shown in the first row of the table.

4) The most recent Reserves assessment by SRK did not include a review and assessment of additional Contingent Resources in the Lesedi Project Area or Contingent Resources in the Mamba Project area.
