NOTICE TO UNITHOLDERS

In line with the Listings Requirements of the Botswana Stock Exchange (BSE), the Board of Directors of Letlole La Rona Ltd (LLR), hereby announce that the Company is expecting profit before tax for the year ended 30 June 2020 to be between 20% and 30% (P12.9 million and P19.4 million) higher than prior year's profit of P64.6 million.

The improved profitability is as a result of the recovery from the prior years' profit which was depressed by a once-off book loss on disposal of the hospitality portfolio to Cresta Marakanelo Limited which occurred on the 30th of June 2019.

Accordingly, shareholders and investors are advised to exercise caution when trading in the Company's securities until the results are announced.
