The interim announcement dealt with the Income Tax Amendment Act 2018 and its potential impact on distributions of VRLS companies, including NAP, and there has been significant and ongoing engagement with the relevant authorities in this regard. NAP further advised unitholders that it will be able to fund payment of any potential tax liability arising from this issue, for the current year, from available cash without impacting the current year's total distributions.

It does take into account current taxes that will be paid as a result of profits being distributed from the subsidiary company.
