PRESS ANNOUNCEMENT | UPDATE ON TRANSACTION TIMETABLE AND ANNOUNCEMENT OF OFFER RESULTS RELATED TO THE PUBLIC OFFER AND SUBSEQUENT LISTING OF UNSPONSORED BOTSWANA DEPOSITORY RECEIPTS REPRESENTING ORDINARY SHARES OF DANGOTE PETROLEUM REFINERY & PETROCHEMICALS FZE

Date: **18 November 2026**

Access Bank Botswana Limited (the "**Depository**") has received approval from Botswana Stock Exchange ("**BSE**") to create, issue, and list unsponsored Botswana Depository Receipts ("**BDRs**") corresponding to certain publicly traded ordinary shares of Dangote Petroleum Refinery and Petrochemicals FZE ("**DPRP**") in terms of a prospectus dated 15 October 2026 (the "**Prospectus**").

The Depository wishes to advise applicants and the public on amendments to the transaction timetable recorded in the Prospectus (as first amended by the Depository's press announcement dated 27 October 2026).

DPRP had established the indicative date of 11 November 2026 to obtain a clearance letter from the Securities and Exchange Commission of Nigeria ("**SEC**") on the basis of allotment for DPRP's public offer for certain of its ordinary shares (the "**DPRP IPO**"). This indicative date was further revised to 17 November 2026 to accommodate, in part, investor participation via the BDR Programme.

Applicants and the public are advised that as at the date of this press announcement, DPRP has not yet received the SEC's clearance and consequently has not published an allotment announcement.

Consequently, the Depository is unable to submit to the BSE its basis of allotment nor to publish the BDR offer results in terms of the Prospectus until such time as the Depository, amongst other applicants, has been informed of the allotment announcement under the DPRP IPO.

The Depository wishes to assure applicants and the public that it will submit its basis of allotment and publish the BDR offer results, in accordance with the BSE's procedures, as soon as reasonably practicable following the DPRP IPO allotment announcement. The Depository affirms that whilst indicative dates may change, the sequence of transaction events outlined in the Prospectus remain undisturbed. Applicants are advised that their application monies remain in the custody of the Depository and will be remitted to DPRP in proportion to the actual DPRP shares allotted to it for purposes of the BDR Programme. To the extent applicable, any application monies received from applicants under the Prospectus will be refunded in accordance with the Prospectus.

The Depository will publish a further market announcement on or before **20 November 2026**.
